## Club requirement

A love of sport.

## Your Membership application

All prospective members are invited to fill out an application at [www.fitzdares.com/club](http://www.fitzdares.com/club). Applications are reviewed at our monthly committee meeting and the successful candidates will be notified shortly after. If you are an existing member and would like to propose someone, please contact [club@fitzdares.com](mailto:club@fitzdares.com)

## Bookings

All members are allowed to book either a table, private dining room or a space at the bar. Booking isn't required, but turn up without one at your peril. Fitzdares has the right to give the table away to another party if no guests turn up within 20 minutes of the booking.

## Membership database

By becoming a member of Fitzdares, you agree that we can hold your personal details and a photograph of you (copy of ID/passport) for us to use in connection with your membership. If your contact or payment details change, please let us know. It is your responsibility to make sure we have the most up-to-date details for both your betting account and Club membership.

## Complaints

Abusive behaviour towards staff or members will result in membership being terminated without any refund.

## Club hours

The Club will be open from noon to midnight (or later for fitting occasions), Monday to Saturday and on select Sundays. When leaving the premises we ask that you do so quietly.

## Guests

You are allowed to bring three guests to the Club before 6:30pm. After that time, it is reduced to two guests. However, if you would like to book a room for a private event, we can currently fit more people than Wembley (30 guests). You are responsible for ensuring your guests follow all Club rules and policies and can face suspension or termination of your membership if your guests violate such rules or policies.

## Age limit

Nobody under the age of 21 is allowed within the Club.

## Dress Code

Smart casual dress, unless stated otherwise for a private event. Slippers and gowns are encouraged.

### Privacy for Members & Guests

Members and their guests must not approach, disturb or solicit others in their Club with whom they are not personally acquainted. Doing so may lead to suspension or termination of membership.

### Working from The Club

If you plan to work from the Club please be aware that the sport may distract you. Reception will let you know where it is best to 'work'. Private rooms will be made available if free.

### Cameras & recording devices

No cameras, video or other recording devices, whether live-streaming or otherwise and whether on a mobile phone or other medium, may be used while in the Club, unless given permission by a Fitzdares staff. Members are responsible for ensuring their guests also abide by this rule. The House reserves the right to take possession of and confiscate any mobile phone, camera, video or other recording device and any photos, videos or other recorded images used or taken while on Club premises.

### Audio/Video sound

Movies, videos, songs, internet calls, presentations and all other audio must only be played through head-

phones and should not be audible to any other member or guest present.

### Press & social media

We operate a strict no press policy. Members will be held accountable if they or their guests disclose or identify any other members or guests who are in the Club in the public domain without their explicit permission, whether in any press or social media including Facebook, Twitter, Instagram, Tik Tok and on personal blogs.

### Confidentiality

All Fitzdares staff members are required to adhere to the strictest confidentiality standards and pledge to maintain all records and personal information concerning the members and their guests in the strictest confidence.

### Bills

All bills must be settled in full before leaving the Club. Members are responsible for their guests' bills if they are not paid. Should a Member inadvertently leave the Club premises without paying a bill it is that Member's responsibility to ensure that it is paid in full within 24 hours.

### Food & beverages

Do not bring any food to the Club. The menu is good enough as it is and the chef will take offence.

### Private hire & house maintenance

We may at times close parts of the Club to members and their guests for private events or for necessary maintenance, repair or redecoration work.

### Events

Whilst you are a member or guest at our Club, we may ask you to give your feedback, and experiences, at any of our events. We may also film, video or photograph our member events and activities at the Club for use in our programmes, advertising, promotions, public relations, and other commercial/business purposes. If you take part in these interviews or events, you agree that we may use your name, image and limited other information, and consent to us publishing any materials produced by, or for us, for any purpose without your further consent and you waive your right to receive any payment from us in connection with such publication.

### Accidents and injuries

If a member or guest has an accident or suffers any injury at the Club please report this as soon as possible to a member of staff and in any event within 24 hours

of the incident. As well as wanting to check on a member or guest's well-being, this information is needed in order to help us comply with our health and safety obligations and for insurance purposes.

### Dogs

We love dogs.

### CCTV

Closed-circuit TV is in operation on the outside of the building and in the bar.

### Smoking Policy

There is no smoking allowed within the Club; there is a smoking area outside the front of the Club.
